

## How to Create Recurring Sessions

If a Session Group delivers sessions that take place regularly, a set of repeated sessions can be created. To create recurring sessions:

- Hover over Work and select Session Groups
- Select the relevant Session Group
   Click on Sessions from the Attendances Tab on the left-hand
   Click on the Plus icon +
- Complete the **Details** for the first session
- In the **Repetition** box, select either a **Daily, Weekly** or **monthly** repetition

- Fill in the Repetition information
- Click SaveUn-tick any sessions that are not needed
  - Click Submit
