

## How to Create a Case Study

The **Case Studies** area of Views enables users to tell the stories behind their work, bringing these to life with images, videos and personal insights. To create a case study:

- Hover over **Evidence** and select **Case Studies**
- Click on the **Plus** icon 
- Complete the form
- Click **Save**
  
- The **Content** area will be displayed, where the Case Study can be created by adding text, images and other media items
- Once the Case Study is completed, click **Save**
