

FAQ – I can't see an attendance column on my session register, where has it gone?

Sessions dated in the past include an attendance column:

| Forename | Surname | Attendance | Volunteering | |
|----------|--|--|--------------|--|
| Lacey | Jones | <input checked="" type="checkbox"/> <input type="checkbox"/> | [+] None | |
| Steven | Jones | <input checked="" type="checkbox"/> <input type="checkbox"/> | [+] None | |
| Jeremy | C Jones | <input checked="" type="checkbox"/> <input type="checkbox"/> | [+] None | |
| John | Jones | <input checked="" type="checkbox"/> <input type="checkbox"/> | [+] None | |
| | | <input type="checkbox"/> Apply to All | | |

But sessions dated in the future do not:

| Forename | Surname | |
|----------|--|--|
| Lacey | Jones | |
| Steven | Jones | |
| Jeremy | C Jones | |
| John | Jones | |

As soon as the session takes place, the attendance column will become available.
